## THE UNITED WAY HAS A BIGGER CASH FLOW THAN HALF THE COMPANIES ON THE NEW YORK STOCK EXCHANGE AND THE LARGEST STOCK HOLDER RETURN OF ANY.

An amazing 89¢ of every dollar you give to the United Way goes to agencies that help people in need.

How can an organization as big as United Way keep costs that low?

The answer is that United Way is an organization that relies not just on gifts of money, but gifts of time as well—time donated by millions of volunteers each year.

**Thanks to you, it works for all of us. United Way**
